

Think-Write!

5 questions to ask before you finish:

- *Does my writing stick to a main topic?*
- *Does my writing speak to my intended audience?*
- *Did I write in the form that I want (i.e., business letter, limerick, essay)?*
- *Does my writing have a clear purpose?*
- *Did I include all necessary components of my writing (ex. topic sentence, a certain number of details)?*
